- We have to do something immediately if we want to help. It's a race against time.
- The cyclists were neck and neck as they got to the finishing line. It was a very exciting race.
- Let's go for a run. It's so warm to get fit, we have to get the ball rolling!
- If you receive a ball of clothing you will be spending your day of warm.
- You should expect difficulties when you're training for the Olympics. It's a job for the experts.
- It's completely up to him to decide what he'll do about his trainer. The ball is in his court.

C Choose the correct option

Athletics is one of the most popular types of sport. People have been (1) scoring / building athletic competitions since ancient times, ever since the Olympic Games began in 776 BC. Usually, individual athletes (2) compete / race against each other in running, jumping, throwing and a variety of other activities. To (3) succeed / achieve in running, you must have speed, (4) strength / weakness and strategy. Sometimes you have to (5) avoid / avoid by the finishing line / trophy whereas at other times you have to (7) race / pace yourself. Jumping events include the pole vault and the triple jump. In order to try and (8) beat / win your opponent in the triple jump you have to do a (9) hop / hop and a step and then jump.
