Alice is my best friend. She  near me and we  to the same school. Alice  to be a doctor, so she's studying biology and other sciences. In the future, I  to work with computers, so I'm studying computing and mathematics.

We both love sport. On Saturdays I usually  tennis and Alice  squash.

Alice and I  a lot about our plans for the future. I hope to keep Alice as a good friend when we  our studies at university.
