Activity 1 and 2	Working with words	feelings
Activity 3 and 4	Sentence building / Working with words	Days of the week / routine activities.

Follow-up activity

Do a class survey. Before the survey, get children to repeat the names of the week and the question: *What's your favourite day?*

Then tell the children to write the days of the week in a column in their notebooks. If the class has more than 15 children, divide them into two groups. Each child should ask everyone in their group: *What's your favourite day?* and put a tick next to the answer.

When they have finished, children report the results. Elicit full sentences: e.g. *Our favourite day is Saturday.*
