**1** Read the text about Ben's Sports Day last week. Write answers to the questions. Use *Yes, he/she/they did* or *No, he/she/they didn't*.

Last week it was Sports Day at our school. There were a lot of different sports and a lot of people came to watch. Some boys and girls ran in a race. Tilly finished first! There was a bike race too. They went very fast – it was great! I played tennis with three of my friends. We didn't win the game, but it was fun! After the sports we had ice cream (I had chocolate – my favourite!) and then I went home with my mother and father. We all had a fantastic day!
