Follow-up activity

Play the *Tag Challenge* game with the children. Write some question tags on the board. In pairs, one child chooses a question tag: e.g. *Aren't they?* The other child uses the tag to form a question: e.g. *They're going to Morocco, aren't they?* If the first child agrees that the question is correct, the second child wins a point. If the question is incorrect, the second child does not win any points. Children take turns to choose tags and make questions.
