Phonics practice activity

Ask the children to repeat: *I'm on the hill, I've got my ball, I'm on the wall – oh no, don't fall!*

Follow-up activity

Play a memory game with the children. Invite five or six children to the front of the class. Give them each a card with: *I am ... -ing* on it (e.g. *I am jumping*).

When you say: Go, the children mime the activity on their card for five seconds.

The other children guess the activity: e.g. *Rashida is swimming!* The child then answers: e.g. *Yes, I am swimming.* Invite another group to the front of the class and continue.
