

### LABERINTO CON OPERACIONES

Encuentra la meta siguiendo los resultados correctos a cada una de las operaciones matemáticas; restas.

A maze grid where each cell contains a subtraction problem. The correct result of the subtraction is the path to follow. The maze starts at the 'SALIDA' starburst and ends at the 'META' starburst.

### LABERINTO CON OPERACIONES

Encuentra la meta siguiendo los resultados correctos a cada una de las operaciones matemáticas; restas.

A maze grid where each cell contains a subtraction problem. The goal is to start at the 'SALIDA' (EXIT) and follow a path of correct results to reach the 'META' (GOAL).
